

## Action plan - a "to do" list

Use this worksheet to keep track of things to in to your committee work.

| Action item | Who's involved | Target date | Date done |
|-------------|----------------|-------------|-----------|
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
|             |                |             |           |
